
PEOPLESYSTEMS HUMAN RESOURCE TOOLS

FREE with every Employment Practices Liability Policy

Have you ever wondered...

- How do I properly terminate an employee?
- What is “Wage and Hour” law and how does it impact me?
- How do I document performance issues?
- What are appropriate and inappropriate interview questions?

What if all these questions could be answered free?

Lawyers are expensive and many small businesses do not have the financial means for a Human Resource department so we provide PeopleSystems human resource hotline and website FREE with every Employment Practices Liability policy. There is not a limit on the number or length of calls when asking your employment practices questions!

What are people saying?

“This Helpline service is invaluable! I can’t believe it comes with our EPL policy free of charge!”

“It’s so helpful to have someone to run ideas by. Just when I think I know what I should do, you make me reevaluate by pointing out things I might be missing. Thank you for all your help!”

“I’m really impressed that you document all of the calls you receive. No matter who picks up the helpline, the information is available and I do not have to restate the facts.”

“Ahh, a cooler head prevails! It’s nice to know I have somewhere to turn for thoughtful, sound advice when all I want to do is terminate the employee. You always make me think of things in a way I didn’t or couldn’t. Many thanks for your guidance and patience!”

“You have been so helpful as usual. I really enjoy calling this helpline because you are all very responsive.”
